"To the Cliffview Church of God, Jackie Rector has been a devoted sister of Cliffview for over 20 years. About 17 years ago, she was diagnosed with MS and in 2007 she lost her ability to walk. She has been in bed ever since. She is an inspiration to all that meet her. She loves the Lord with all of her heart and soul. Lately Jackie has experienced several episodes that are gradually affecting her mental awareness. She is waiting for our Father to call her home and oh how the angels will sing! I, her daughter Christina, who attended Cliffview, have one request of the church while my mother is still with us. Jackie loves red roses. I as her daughter am requesting that anyone who is able to, please stop by room A10 at Golden Living nursing home and shower her with flowers. If you are unable to bring anything please just come by and greet her and let her know her church family is with her. Please come by between 2 and 8 this afternoon August 8th. May God bless you all!" -Christina
